has 50 or more employees, and has received grants or subgrants of \$25,000 or more, and has a service population with a minority representation of less than 3 percent, such recipient is required to formulate, implement, and maintain an equal employment opportunity program relating to employment practices affecting women. For a definition of "employment practices" within the meaning of this paragraph, see §42.202(c).

(e) Minority persons shall include persons who are Black, not of Hispanic origin; Asian or Pacific Islanders; American Indians or Alaskan Native; or Hispanics. These categories are defined at 28 CFR 42.402(e).

(f) Fiscal year means the 12 calendar months beginning October 1, and ending September 30, of the following calendar year. A fiscal year is designated by the calendar year in which it ends.

§ 42.303 Evaluation of employment opportunities.

(a) A necessary prerequisite to the development and implementation of a satisfactory equal employment opportunity program is the identification and analysis of any problem areas inherent in the utilization or participation of minorities and women in all of the recipient's employment phases (e.g., recruitment, selection, and promotion) and the evaluation of employment opportunities for minorities and women.

(b) In many cases an effective equal employment opportunity program may only be accomplished where the program is coordinated by the recipient agency with the cognizant Office of Personnel Management or similar agency responsible by law, in whole or in part, for the recruitment and selection of entrance candidates and selection of candidates for promotion.

(c) In making the evaluation of employment opportunities, the recipient shall conduct such analysis separately for minorities and women. However, all racial and ethnic data collected to perform an evaluation pursuant to the requirements of this section should be cross classified by sex to ascertain the extent to which minority women or mi-

nority men may be underutilized. The evaluation should include but not necessarily be limited to, the following factors:

(1) An analysis of present representation of women and minority persons in

all job categories;

(2) An analysis of all recruitment and employment selection procedures for the preceding fiscal year, including such things as position descriptions, application forms, recruitment methods and sources, interview procedures, test administration and test validity, educational prerequisites, referral procedures and final selection methods, to insure that equal employment opportunity is being afforded in all job categories;

(3) An analysis of seniority practices and provisions, upgrading and promotion procedures, transfer procedures (lateral or vertical), and formal and informal training programs during the preceding fiscal year, in order to insure that equal employment opportunity is being afforded;

(4) A reasonable assessment to determine whether minority employment is inhibited by external factors such as the lack of access to suitable housing in the geographical area served by a certain facility or the lack of suitable transportation (public or private) to the workplace.

§ 42.304 Written equal employment opportunity program.

Each recipient's equal employment opportunity program shall be in writ-

ing and shall include:

(a) A job classification table or chart which clearly indicates for each job classification or assignment the number of employees within each respective job category classified by race, sex and national origin (include for example Hispanic, Asian or Pacific Islander, and American Indian or Alaskan Native). Also, principal duties and rates of pay should be clearly indicated for each job classification. Where auxiliary duties are assigned or more than one rate of pay applies because of length of time in the job or other factors, a special notation should be made. Where the recipient operates more than one

shift or assigns employees within each shift to varying locations, as in law enforcement agencies, the number by race, sex and national origin on each shift and in each location should be identified. When relevant, the recipient should indicate the racial/ethnic mix of the geographic area of assignments by the inclusion of minority population and percentage statistics.

(b) The number of disciplinary actions taken against employees by race, sex and national origin within the preceding fiscal year, the number and types of sanctions imposed (suspension indefinitely, suspension for a term, loss of pay, written reprimand, oral reprimand, other) against individuals by race, sex and national origin.

(c) The number of individuals by race, sex and national origin (if available) applying for employment within the preceding fiscal year and the number by race, sex and national origin (if available) of those applicants who were offered employment and those who were actually hired. If such data is unavailable, the recipient should institute a system for the collection of such data.

(d) The number of employees in each job category by race, sex and national origin who made application for promotion or transfer within the preceding fiscal year and the number in each job category by race, sex, and national origin who were promoted or transferred.

(e) The number of employees by race, sex, and national origin who were terminated within the preceding fiscal year, identifying by race, sex, and national origin which were voluntary and involuntary terminations.

(f) Available community and area labor characteristics within the relevant geographical area including total population, workforce and existing unemployment by race, sex and national origin. Such data may be obtained from the Bureau of Labor Statistics, Washington, DC, State and local employment services, or other reliable sources. Recipient should identify the sources of the data used.

(g) A detailed narrative statement setting forth the recipient's existing employment policies and practices as defined in §42.202(c). Thus, for example,

where testing is used in the employment selection process, it is not sufficient for the recipient to simply note the fact. The recipient should identify the test, describe the procedures followed in administering and scoring the test, state what weight is given to test scores, how a cut-off score is established and whether the test has been validated to predict or measure job performance and, if so, a detailed description of the validation study. Similarly detailed responses are required with respect to other employment policies, procedures, and practices used by the applicant.

(1) The statement should include the recipient's detailed analysis of existing employment policies, procedures, and practices as they relate to employment of minorities and women (see §42.303) and, where improvements are necessary, the statement should set forth in detail the specific steps the recipient will take for the achievement of full and equal employment opportunity. The Department of Justice Guidelines on Employee Selection Procedures, 28 CFR part 50, set out the appropriate standards for nondiscriminatory selection procedures. Recipients of LEAA assistance using selection procedures which are not in conformity with the Department of Justice guidelines shall set forth the specific areas of nonconformity, the reasons which may explain any such nonconformity, and if necessary, the steps the recipient agency will take to correct any existing deficiency.

(2) The recipient should also set forth a program for recruitment of minority persons based on an informed judgment of what is necessary to attract minority applications including, but not necessarily limited to, dissemination of posters, use of advertising media patronized by minorities, minority group contacts and community relations programs. As appropriate, recipients may wish to refer to recruitment techniques suggested in revised order No. 4 of the Office of Federal Contract Compliance, U.S. Department of Labor, found at 41 CFR 60-2.24(e).

(h) Plan for dissemination of the applicant's Equal Employment Opportunity Program to all personnel, applicants and the general public. As appropriate, recipients may wish to refer to the recommendations for dissemination of policy suggested in revised order No. 4 of the Office of Federal Contract Compliance, U.S. Department of Labor, found at 41 CFR 60–2.21.

(i) Designation of specified personnel to implement and maintain adherence to the equal employment opportunity program and a description of their specific responsibilities suggested in revised order No. 4 of the Office of Federal Contract Compliance, U.S. Department of Labor, found at 41 CFR 60-2.22.

§ 42.305 Recordkeeping and certification.

The equal employment opportunity program and all records used in its preparation shall be kept on file and retained by each recipient covered by these guidelines for subsequent audit or review by responsible personnel of the cognizant State planning agency or the LEAA. Prior to the authorization to fund new or continuing programs under the Omnibus Crime Control and Safe Streets Act of 1968, the recipient shall file a certificate with the cognizant State planning agency or with the LEAA Office of Civil Rights Compliance stating that the equal employment opportunity program is on file with the recipient. This form of the certification shall be as follows:

I, _____ (person filing the application) certify that the _____ (criminal justice agency) has formulated an equal employment program in accordance with 28 CFR 42.301, et seq., subpart E, and that it is on file in the Office of _____ (name), ____ (address), _____ (title), for review or audit by officials of the cognizant State planning agency or the Law Enforcement Assistance Administration as required by relevant laws and regulations.

The criminal justice agency created by the Governor to implement the Safe Streets Act within each State shall certify that it requires, as a condition of the receipt of block grant funds, that recipients from it have executed an Equal Employment Opportunity Program in accordance with this subpart, or that, in conformity with the

terms and conditions of this regulation no equal employment opportunity programs are required to be filed by that jurisdiction.

§42.306 Guidelines.

(a) Recipient agencies are expected to conduct a continuing program of self-evaluation to ascertain whether any of their recruitment, employee selection or promotional policies (or lack thereof) directly or indirectly have the effect of denying equal employment opportunities to minority individuals and women

(b) Equal employment program modification may be suggested by LEAA whenever identifiable referral or selection procedures and policies suggest to LEAA the appropriateness of improved selection procedures and policies. Accordingly, any recipient agencies falling within this category are encouraged to develop recruitment, hiring or promotional guidelines under their equal employment opportunity program which will correct, in a timely manner, any identifiable employment impediments which may have contributed to the existing disparities.

§ 42.307 Obligations of recipients.

The obligation of those recipients subject to these guidelines for the maintenance of an equal employment opportunity program shall continue for the period during which the LEAA assistance is extended to a recipient or for the period during which a comprehensive law enforcement plan filed pursuant to the Safe Streets Act is in effect within the State, whichever is longer, unless the assurances of compliance, filed by a recipient in accordance with §42.204(a)(2), specify a different period.

§ 42.308 Noncompliance.

Failure to implement and maintain an equal employment opportunity program as required by these guidelines shall subject recipients of LEAA assistance to the sanctions prescribed by the Safe Streets Act and the equal employment opportunity regulations of the Department of Justice. (See 42 U.S.C. 3757 and 28 CFR 42.207.)
